- 3. To invite your friends to your subgroup, send them your group's URL which will be pickhoops.com/*shortgroupname*.
  - a. For example, if your short group name is "Baller Wings", then your group's URL would be pickhoops.com/ballerwings
- 4. If the friend you invited hasn't registered for the Wing Dome Bracketology group, they will be prompted to do so and then can join your subgroup.

If your friend is already registered, they will be redirected to the following page where they'll need to enter the subgroup password (if one was set upon creation of the subgroup).

[Your Name] Join	n Group
Profile	aroun you have elected to join requires a group password
Join a group	If you don't know this password, consult the person who invited you to this group.
